

CORONAVIRUS (COVID-19)

Greetings and Wishes of Good Health

Todd Transit and Todd Special Services are working hard to maintain the high level of service our Customers have become accustomed to, over the last 47 years. These are unprecedented times, that have challenged all Americans to adjust and adapt to, both in their personal life as well as professional.

Todd's amazing staff, are dedicated to helping our customers that are operating as essential businesses, by offering services that fill multiple roles in the overall supply chain.

- Todd's trucks are moving Medical Equipment, including Ventilators, and Medical Supplies that end up in Hospitals, Doctor's Offices and Nursing Homes, as well as consumer goods, that are constantly needing to be re-stocked.
- Todd Special Services is handling expedited shipments of Pharmaceuticals, human tissue samples for testing, as well as machine parts needed to keep our country running, 24/7, to anywhere in the 48 states.
- Todd's 70,000 square feet of available warehouse space, can handle excess goods or raw materials you may have coming in by Air, Ocean or Ground. You can re-route trucks to our Warehouse, where we can receive the cargo and store it for you short term or long term, with availability to you as you need it, 24/7.

Thank you to all Truck Drivers and support staff, for working tirelessly on the front line of this pandemic. Your dedication and commitment are what make The Todd Companies, and our Nation great!

To Serve God and Man by Helping Customers Achieve Success Through a Market Leading Team of Professionals.
